All information needed for the BRM will always be on this website. Check it often for current information.

### **Facebook Group:**

The group is called **Big Red Machine Band Boosters**. You will have to answer some questions to be approved. Once approved, this is a source of all band information, updates, cancellations, and other vital information that needs to reach the band family.

### **From the Band Booster President:**

A reminder from the Booster President to regularly check the BRM website for any updates in the upcoming months. We have several performances and events coming up. Although we seem not to be as busy as the Marching Band season, we do have events to be aware of.

--1/15/2025: The FBA will meet in the band room. The boosters will provide food and drinks.

--All County practice begins this week in Niceville. Chaperones are needed to work the lunch time frame on Friday, 24, January, 2025. There will be no transportation provided. The All-County concert is scheduled for January 25, 2025.

--The start of evening rehearsals for the Wind Ensemble and Symphonic will be coming soon. The schedule starts January 21, 2025. Schedules will be given to the students.

--The last payment for the trip is due by 1 February 2025. If you still have monies in your account that need to be transferred to the trip, fill out the Google form provided by the Treasurers. They will do one more transfer for this trip.

--There are several chaperone opportunities in the upcoming months. Check the FB Band Booster and CUTTIME regularly for those opportunities.

### **Fundraising:**

--All monies have been distributed to the students' accounts. If you do not see your balances, or think there is a discrepancy, contact Susan Myhre. There is a possibility of a new fundraiser to be announced at our May Orientation.

### **Cut Time:**

--Cut Time is up and running. The Treasurers have worked diligently to get all the information and payments into the new system. If you still need to transfer monies to the upcoming trip, please notify the Treasurers ASAP. They will be providing one last transfer.

### **From The Band Directors:**

--Thanks to all volunteers for their dedication, loyalty, and service. With 300+ band members, it can be a tasking but very rewarding service.

--Please check the BRM website for any upcoming events and updates.

--Chambers Wind Recital has been postponed until 31 March 2025. The Wind Ensemble Trip has been canceled.

--This time of the season we spend on our talented band members, honing and refining their skills. With the upcoming MPA, the students should be practicing, a minimum, of 30 minutes, at home, every day. Watch CUTTIME/Email/Remind for any schedule updates or changes. If you need to contact me, send an email to me.
