## **Booster Meeting Minutes**

**Monday, October 7, 2024**

The meeting of the BRM Band Boosters started at 7:00.

### **The Big Red Machine Website:**

The website is [www.crestviewbrm.com](http://www.crestviewbrm.com)

To access the “Member” section, you must input the password:

All information needed for the BRM will always be on this website. Check it often for current information.

### **Facebook Group:**

The group is called **Big Red Machine Band Boosters**. You will have to answer some questions to be approved. Once approved, this is a source of all band information, updates, cancellations, and other vital information that needs to reach the band family.

### **From the Band Booster President:**

--We have an extreme need for volunteers. There currently is a shortage. You can sign up to be a volunteer through the CHS website. Information regarding this is also on our FB Group page. Once you are registered you will be able to volunteer via the CUTTIME application. Information regarding this can also be found on the FB Group page. You should receive notifications via Remind, Cuttime, or email by now. If

you are not, check with your child or get with someone in the Band Office.

--We have an away game on Friday in Navarre. See The notification for this sent out by Mr. Dunn.

--Saturday, October 12, 2024, is the MPA, our most important event of the year. If parents wish to attend they can purchase tickets at that event arena with cash or credit. This is being held at Tate High School.

--Check-out procedures are set in stone. If you wish to check out your child from the event, you must be on the contact list as the parent/guardian. NO EXCEPTIONS.

--Thanks were given to Tracy and Tabitha Myers for donating a grill to the concessions. This is in addition to the grill they acquired from Okaloosa Gas.

### **Fundraising:**

--The cookie dough arrived and was distributed. We are now in the process of implementing the Fruit Fundraiser. Susan Myhre briefed everyone on the setup and application. All students should have a package with this information.

### **Cut Time:**

--Cut Time is up and running. The Treasurers have worked diligently to get all the information and payments into the new system. They are now inputting the fundraiser profits into the students' accounts. Once this is accomplished, you can view your expenses and any credits from the fundraiser. If you are using your fundraiser monies for the trip, this request must be made by December. Remember all Band expenses

must be paid prior-to transferring funds to the Band Trip. If there are any concerns or questions, you can contact the Treasurers.

### **From The Band Directors:**

--Thanks to all volunteers for their dedication, loyalty, and service. With 300+ band members, it can be a tasking but very rewarding service. Mr. Dunn also announced that there may be a practice canceled as there will not be any events for the weekend of the 18<sup>th</sup> and 19<sup>th</sup> of October. Further information will be provided in the weekly notifications. When decisions are made to cancel performances it is decided with the best interest of the students involved.

--In closing, Mr. Dunn stated that the Band Room is the place to be, when you need to take a break, listen to some good music, or just want to breathe. His number one priority is the band students.
